

SOO CROSSING AGAIN SCENE OF VIOLENCE

Midnight Explosion Near The Round House Causes Investigation

(From Tuesday's Daily)

The Michigan avenue crossing of the Soo line was again the scene of trouble on Monday evening, the second clash which has occurred there since the railroad strike went into effect.

Two arrests were made in quick succession following a clash at 7 o'clock, said to have been prompted by refusal of one striker to move when ordered to do so by a guard.

As a climax to the evening's trouble, a loud explosion occurred near the roundhouse at midnight, heard by officers, Soo employees and others in the vicinity. No one was injured and no property damage resulted. No trace could be found to establish just where the explosion occurred.

Arrest Striker and Guard

Arthur A. Turner, a Soo striker, was the first man arrested, being taken into custody by two Soo line guards. He was confined in the South side station during the night and this morning. Turner was arrested near the Michigan avenue crossing immediately after the trouble occurred there.

The second man arrested was Harry Grady, Chicago, one of two Soo guards who had taken Turner into custody. Grady's arrest was made by Chief of Police John S. Hofsoos and Officer John Frymark immediately after he had returned to the yards, on complaint of James Tierney, a striker, on a charge of assault and battery.

Plead Not Guilty

Grady was arraigned in court before Justice G. L. Park this morning and entered a plea of not guilty. His case was adjourned until September 6 and the defendant released on bonds of \$200.

Turner was arraigned before Justice Park at 2 o'clock this afternoon on a charge of assault and battery on complaint of Grady, and entered a plea of not guilty. The case was adjourned to Sept. 7 and Turner released on bail of \$200.

According to Soo line officials and Grady, four men who had approached the Michigan avenue crossing were ordered to move on by Grady, all doing so with the exception of Tierney, one of the party. Argument between the men ensued. Turner is alleged to have gone to Tierney's assistance and at the end of the clash the former was arrested. Grady and another guard had hardly returned to the yards after taking Turner to the South side station when Chief Hofsoos and Officer Frymark arrived with a warrant for Grady's arrest, sworn to by Tierney. Grady was taken to the county jail but was released at 10 o'clock when bail was obtained for him.

The affair at the crossing is said to have been reported by Soo line authorities this morning to the federal court in Milwaukee which recently issued an injunction enjoining striking shophmen from picketing.

Explosion Investigated.

The explosion later in the night brought forth an immediate investigation by Soo authorities here. It occurred at exactly 12:03 o'clock, there being one bright flash and a loud report. It was distinctly heard in the vicinity of the Soo round house and about the South side. Chief Hofsoos was immediately notified at his home and ordered guards on night duty on Soo property to investigate at once. They and other railroad guards were unable to determine just where the explosion occurred, or to find any property damage done.

Statement by Tierney

Tierney, in a statement to the Journal, declared that he had driven to the vicinity of the Michigan avenue crossing after supper on his motorcycle to visit with some of his friends for a few minutes and that just after two of them had left the place where he was standing Grady came up and ordered him to move away. Tierney declared that he was more than 60 feet from the crossing and was not standing on railroad property. He further asserted that after an exchange of words Grady struck him forcibly upon the head with a billy, knocking him down. He did not see Turner there at the time, he said, but had seen him on the other side of the track with his wife before the trouble occurred. Tierney was interviewed at the gas plant of the Wisconsin Valley Electric company, where a number of striking Soo employees are working.

"Inspectors" on Duty

James G. Vonnat, president of the machinists' union and chairman of the strike committee of the Federated Shop Crafts, told the Journal today

Whisky and Alcohol Stolen From Store In Daring Burglary

A considerable quantity of whisky and alcohol was stolen from the Alex Krembs drug store on Main street at Strongs avenue early Tuesday morning by burglars who shattered the plate glass in the side entrance to the store on Strongs avenue to get in.

How much liquor was taken could not be stated Tuesday by Alex Krembs, Jr., the proprietor, as a close check had not yet been taken, he said. The amount, however, was large, it was declared. The whisky was carried off in bottles, while the alcohol was drained from a keg. The liquor is kept in the basement. Cigars were also stolen.

In order to gain entrance the burglar or burglars first broke a window at the rear of the store and then attempted to "jimmy" the window open. This attempt proving unsuccessful, the operations were extended to the Strongs avenue entrance, near a burning street light. A hole about two feet square was broken in the glass door, and with the opening made, the night lock inside was turned. Glass was found strewn over the floor of the store Tuesday morning when it was opened.

This was the second time this week the store has been entered. Burglars ransacking the place Sunday night. Nothing of value was taken Sunday evening.

It is stated that the alley is lighted by one of the "white way" standards at its street entrance on the avenue.

TRUCK AND ENGINE COLLIDE ON TRACK TWO MEN MAY DIE

Serious Accident Occurs on Crossing in the Limits of the City of Madison—Driver Loses Control of Truck

Madison, Aug. 22—Ewald Brumm, and Rudolph Hinnenenthal, both of Watertown, Wis., were in a critical condition in a hospital here today as the result of a grade crossing accident at 9 a. m. today, in which a North Western train was put out of commission and a heavy T. M. E. R. & L. interurban express truck smashed.

The men were driving the truck when it was smashed to bits. Brumm's skull was fractured and the other man's chest crushed. Both may die, hospital authorities said. The train, which was one and a half hours late, whistled for the crossing which is within the city limits of Madison, but the truck driver lost control of the car and smashed into the locomotive, tearing away one side.

LOST AIRMEN FOUND

Three Rescued After Sea Shatters Their Flying Boat

New York, Aug. 22—Saved from the wreckage of their aerial marine flying boat, which is being shattered to pieces by the terrific seas off the coast of New Jersey, Z. S. Robinson of Pittsburgh, Captain Miller and a mechanic were brought here today. A navy seaplane and a sub chaser hunted the lost airmen for 24 hours, most of which time they spent aboard a fishing vessel, scarcely more seaworthy than their plane.

CONSOLIDATED CONCERT TO BE HELD THIS EVENING

The Consolidated band will give its regular weekly program at the Consolidated park this evening. A concert of varied musical numbers has been arranged.

that the terms of the injunction enjoining striking railroad employees from picketing are being complied with here. "We no longer use the term 'picket,'" he said, "but have inspectors who are performing the same duties. In changing the name we are within the rights and are not violating the injunction. In reality the men are doing the same picket duty they did before. They are stationed in the streets near the railroad property and approach men whom they believe are going to work for the company, asking them if they are aware that a strike is on. If a negative answer is given, the inspectors then inform the men that the strike has been in effect for several weeks." Mr. Vennie said.

Men Return to Work

Asked regarding the report that six strikers had returned to work on the Soo line this week, Mr. Vennie declared that he knew that two strikers had returned to their jobs in the local yards. "Both of them are related to a foreman there," he said.

LOCAL COUPLE RETURN HOME FROM EUROPE

Mr. and Mrs. Nick Miller Reach Here After Visiting Germany and France

Mr. and Mrs. Nick Miller returned home Monday morning from a four months' visit to France and Germany, the latter country being the land of their birth. They left Stevens Point April 14 and were joined at Pittsburg by Ferdinand Hirzy, Sr., who started a week earlier and visited friends in the Pennsylvania city. At New York harbor they boarded an Atlantic liner, going to Cherbourg, France, from whence Mr. Hirzy proceeded to Austria and died there on June 14.

Visit Relatives

The Millers went to Lorraine province, France, a portion of the territory gained by this latter country as a result of the war. Mr. Miller has six cousins at Melville, Minnerville and one or two other towns in that section. He also has two brothers and a sister in the province of Lorraine.

Mrs. Miller's principal objective point was Freiburg, Baden, Germany, where she spent several weeks with a sister, whom she had not seen or heard from since first leaving the fatherland 36 years ago. The sister, who is older than Mrs. Miller, also was in America for a number of years, later returning to her girlhood home.

When the travelers first reached Germany the mark, or unit of currency in that country, was quoted at 332 to the American dollar, or approximately three and one-third marks to one cent in our money. Values continued to fall rapidly and when Mr. Miller left that country the quotation was 775 marks to \$1.00. It may be said incidentally that last week they dropped to 1,140 marks per \$1.00.

Much Suffering Seen

Because of the financial collapse there is unparalleled suffering in Germany among the poorer classes, while even those who were well-to-do are finding it difficult to pay for the necessities of life. Factories are running full blast where required raw material can be secured, but when an expert mechanic receives less than \$3.00 per week, it is little wonder that he and his family feel the pangs of hunger. With all their poverty, their homes, lawns, and highways are kept in first-class condition, neatness and tidiness being apparent everywhere.

Discouraged in France

A contrary condition prevails throughout the French provinces where the people are discouraged and seemingly make no effort towards reconstruction, according to Mr. Miller. Dirt, amounting to almost absolute filth, prevails throughout the cities and smaller towns.

If one is an American he may expect to be "held up" in Germany, where two prices are listed in all the stores, shops, restaurants and hotels, the man from this country being compelled to pay twice or thrice as much as the native.

For an alleged infraction of some regulation regarding his registration at Freiburg, and of which he was ignorant Mr. Miller paid a fine of 2,400 marks, while for a special passport allowing him to travel through certain German territory he was assessed 2,100 marks.

Crops in that country are generally poor this season, thus adding to the gloomy outlook.

A day or more was spent in the large cities of Strasbourg and Hamburg, while three days were devoted to the sights of Paris.

The first definite knowledge of Mr. Hirzy's death was received through the Journal, copies of which were sent to the Millers each week by members of their family.

Old Timers' Picnic Set For September 4 On Lake Emily Shores

The annual Old Settlers' picnic for Portage county's pioneer residents, will be held September 4 at Lake Emily, according to announcement by H. H. Hoffman of Amherst, president of the association.

The Old Settlers' picnic is an annual affair at Lake Emily, and September 4 was chosen as the day, because it is a legal holiday. Labor day. An appropriate program is being arranged. Speeches and music are planned.

A big attendance is wanted at the picnic, and an invitation to all old residents of the county is extended. Any person who has lived in Portage county thirty years or more is considered an "old settler."

THE BUSY MAN'S NEWSPAPER

Mathilde Believed Secretly Married To Swiss Hostler

Zurich, Switz., Aug. 22—Max Oser, former livery stable proprietor, and his fiancée or bride as the case may be, Mathilde McCormick, 17-year-old American heiress, have left Switzerland for a trip to Italy and Austria, the newspapers here announce today.

The two, whom many believe to be already married, slipped away a week ago and have not since been heard from. There is much speculation that the marriage has been performed hastily outside of Switzerland. Before their flight Mathilde cancelled the plan to visit her aunt's chateau at Prague.

A search of the official records of Basle, Switzerland, show that Oser applied for a marriage license a month ago and was refused it on account of not having the necessary papers.

SOLDIER BONUS BILL TO PASS THE SENATE

Favorable Action Expected Next Week With 30 Votes Against the Measure

Washington, Aug. 22—Passage of the bonus bill in the senate by the middle of next week with approximately 30 votes against it, seemed assured today.

Senator McCumber, pro-author of the bill predicted a substantial majority of over two thirds will advance this measure to the president for his signature.

Opponents are lining up for a battle on the ground that the nation cannot stand an additional financial burden which the bonus is estimated will impose, extending to about \$4,000,000. McCumber and other supporters of the bill contend that the bonus in reality is a government obligation long over due to war veterans.

TO ESTABLISH JOERNS AGENCY IN THE WEST

W. R. Sizer, who recently came here from Milwaukee to accept the position of sales manager for the Joerns furniture company, left on a Soo train Tuesday morning for a six weeks' trip through the west, the principal object of his mission being to establish a sales agency for Joerns products at San Francisco, St. Paul, Omaha and Denver. After leaving San Francisco he will confer with the company's branch managers at Los Angeles and Dallas, Texas. Mr. Sizer will also visit Kansas City and other important places before his return.

JOHN BROWN'S BODY SUNG BY MARCHERS MINERS GO TO WORK

Men Can Hardly Restrain Their Joy at Prospect of Again Earning Money to Care For Their Wives and Children

Charlestown, W. Va., Aug. 22—Four hundred union miners marched into the pits of the Campbell Creek Coal company near here today at daybreak and resumed operations which had been suspended since the strike began April 1. The spectre of famine which long had haunted the district, departed as feverish efforts were made to replenish the nation's coal supply.

From shanty doors women smiled as their husbands marched to work. The men were singing, "John Brown's Body," shouting with college boy enthusiasm as they marched along.

ATTEMPT TO OUST DRY COMMISSIONER

Haynes Charged by Representative Hill of Maryland With Defrauding the Government

Washington, Aug. 22—The immediate removal of Federal Prohibition Commissioner R. A. Haynes, on the grounds that he is defrauding the government was demanded of Secretary of the Treasury Mellon by Representative John Hill, Md., Republican today.

Haynes is defrauding the government in that he is using and causing to be used, official mail privileges of the treasury department for sending out personal and political propaganda in the interest of himself and his associates, the anti-saloon league, Hill charged.

TRAINS IN COLLISION

Two Persons Killed on the Santa Fe Road in Arizona

Los Angeles, Aug. 22—Two persons were killed and several injured in a collision between two Santa Fe trains at Kingman, Ariz., early today, according to advices received at the general offices of the road here. A relief train was sent to the scene and those injured are expected to be brought to this city this afternoon, according to Assistant Manager Brower, who said details of the accident were lacking.

Hard Coal Peace Meets An Obstacle Session Deadlocks

Philadelphia, Aug. 22—Hope for early peace in the anthracite region faded today when it was reported that the operators and miners in conference here were virtually in deadlock. The forenoon session of the joint conference ended without a decision. A brief statement was issued which did not even intimate what had occurred at the meeting.

DRIVERS NEGLIGENT OF RULES OF ROAD

Local Motorist Says That Operators Here Should Read Up on Highway Laws

"I wish a great many drivers of cars in Stevens Point would read up on the rules of the road," said a local resident who drives his car much, to a Journal reporter today.

"This is a fine town, but it seems to me that the drivers of cars here are too careless and negligent of the rules of the road," he said. "An auto driver will start up his car on the side of Main street, with cars parked on both sides of the street, and without looking behind him, will drive out into the roadway. If he would look behind before starting, as he should, he would form a habit which will go a long way toward eliminating auto accidents."

"I don't believe that a very large number of drivers know the rules of the road, or know even the little rule about giving the man coming at the right at a street intersection the right of way. If people in our city would do that driving would be much more pleasant."

"Strange to say," the speaker continued, "I have observed that women drivers in this city are much more careful than men. They watch the road and in most cases observe the laws regarding driving."

STILL ON THE JOB

Schofield Speed Cop Holding Drivers Down to 15 Miles an Hour

The motorcycle officer at Schofield is still performing his duties diligently and motorists who attempt to drive faster than 15 miles an hour on the long stretch of pavement through that village are apt to fall into his toils. Stevens Point parties who motored through Schofield over the past week-end found the officer alert to the performance of his duties. They were stopped while traveling 18 miles an hour and warned to "slow down." The officer used a motorcycle with a side car attachment.

AUTO WRECKED BY 16 RUNAWAY FREIGHT CARS

Carried From Crossing To A Bridge, Mother and Babe Fall 25 Feet

Mrs. Otto Jahnske and five children of Marshfield had a narrow escape in that city Saturday night when the automobile in which they were occupants was struck on a railroad crossing by a string of 16 runaway freight cars, carried 100 feet along the Omaha right of way and demolished. The auto remained upright and came to a stop after striking a bridge, where the woman and her youngest child, a babe, fell 25 feet to the ground below.

The accident occurred when Math Gessert, a brother of Mrs. Jahnske, owner and driver of the car, failed to see the string of freight cars which quietly glided down the tracks. They had broken loose from a track in the yards a short distance away.

Mother Saves Children

Gessert escaped by jumping from the automobile. One by one, four of the children were assisted out of the moving machine by their mother, receiving but a few injuries. This was taking place as the automobile was being ground along on the right of way at the head of the string of freight cars. Rather than abandon her baby and being unable to remove it from the auto, Mrs. Jahnske stood on one fender of the car, trying to save both herself and child from injury.

Climax at Bridge

As the machine, pushed along by the freight cars, neared a small elevated bridge about 100 feet west of the crossing, it became caught in one of the rails and was torn loose from the cars. A railing on the bridge was demolished but the wreckage held one side of the automobile up, while two wheels on the other side hung over the edge. Mrs. Jahnske and baby fell from the fender to the ground below, a distance of 25 feet. Neither was seriously injured although both suffered cuts and bruises. They were removed to the Marshfield clinic and given immediate medical attention.

Auto a Total Wreck

Raymond, 14, Mrs. Jahnske's oldest son, was cut on one of his legs while attempting to assist his mother after making an escape. The automobile was a total wreck.

SISTERS MEET HERE FIRST TIME IN 40 YEARS

Mr. and Mrs. George H. Baker and Mrs. Baker's son, Ernest Lang, arrived here last week from Dillard, Oregon, and visited until Monday with local relatives. Mrs. Baker is a sister of Mrs. August Moerk and an aunt of Mrs. Arthur R. Redfield. It is 40 years since the sisters met and therefore the visit was an exceptionally enjoyable one. The trio left Dillard three weeks before with a full camping equipment attached to their automobile and enroute here made stops at Yellowstone national park and other places of interest. From Stevens Point they go to Kenosha for a brief stay with other relatives and then on to New York state and to Mr. Baker's boyhood home in Maine.

65 AUTOS, ONE RIG ON PUBLIC SQUARE

Count On Saturday Night Shows Change Brought About in Last 15 Years

Changes which have been wrought in the mode of conveyance within the past few years were shown very strikingly on the public square last Saturday evening. At 8 o'clock a count of the vehicles parked there gave this result: Automobiles, 65; horse drawn rigs, 1. Ten or fifteen years ago the Portage county farmer who owned an auto was looked upon as a plutocrat among his fellows, while today a garage is deemed as necessary as the barn or silo.

1,132 WOMEN APPOINTED POSTMASTERS SINCE 1921

Washington, Aug. 22—Since receiving the hailot, the American woman believes she is just as capable of handling a presidential postoffice as a man, it is shown by figures given out at the postoffice department. Since the inauguration of President Harding in 1921, appointment of women to first, second and third class postoffices has reached a total of 1,132, or more than 14 per cent of the total appointments made by the president.

The New County Clerk

Election of Miss Ruth McCallum
without opposition as the new county
clerk of Portage county to succeed
Algie E. Bourn is a fitting recognition
of efficient service. Miss McCallum
has been faithfully on the job for eight
years, receiving excellent training
under Mr. Bourn, who was thor-
oughly well posted on county affairs,
and when Mr. Bourn was taken ill last
spring, she assumed the whole bur-
den of the office, and there have been
so far as we have heard no criticisms
of her work. Her election for the un-
expired term is a fair reward for good
service.

Miss McCallum is also a candidate
for the new term. It should have been
stated by the Journal in announcing
the passage of a resolution by the
board, favoring her for the new term,
that a viva voce vote was taken on
this proposition, there being no ballot
and no roll call, and only a few mem-
bers answered "aye" when the motion
was put. This omission has been called
to the Journal's attention by a
member of the board, not the mem-
ber, it should also be said, who has
been mentioned as a possible candi-
date for the same office. Miss Mc-
Callum's very election for the un-
expired term is an argument in her fa-
vor for the full term, showing that
representative citizens from all parts
of the county repose confidence in
her. Action of the county board on
the new term does not, of course, bar
any other candidates or affect their
rights in any degree, so far as that
term is concerned.

Supporting the Fair

The attendance at the fair this year
is not what was hoped for. Yet every-
body is pleased. Comment on the fair
is all complimentary. Perhaps the re-
duced attendance may be due to the
heat, perhaps to threshing which has
come earlier this year and is a bigger
job. Anyhow it is somewhat disap-
pointing.

The directors and officers of the as-
sociation give a great deal of time
to it. Nobody gets any pay but the
secretary, and what he gets is only a
trifle. At the end of the year the di-
rectors usually are required person-
ally to sign notes to take care of the
expenses. They are on notes at the
bank all the time—it is only a ques-
tion of how much.

Should there be a deficit at the end
of an extra good fair, the kind which
will help to bring crowds in future
years, the community, county as well
as city, should help the directors to
carry the burden. It should be pos-
sible to raise the money necessary to
meet such deficit.

And while we are about it, we ought
to help the association improve the
property. It is public property any-
how. The grounds and buildings be-
long to the city, the fair association
having merely the privilege of spend-
ing money on them. We need a new
concrete grandstand, as well as ex-
hibition buildings and barns, and it
cannot be expected that the old build-
ings, which have served their turn
thus far, will always last.

The News, Our Editorial and Yours

The Journal's contract with its
readers is to print the news without
favoring any. It is doing so to the
best of its ability. It has trained work-
ers on this job, they know best what
news is. Mr. Doctor, and Mr. Work-
ingman, just as you know best what to
do in your own line of work.

Having gathered, written and pub-
lished the news, each newspaper
makes editorial comment on what it
feels is worthy of note. The editorial
is only the editor's own notion of
things. He may be hopelessly wrong.
He isn't trying to force his opinions
on the reader, and you needn't feel
Mr. Reader, that you are in any way
responsible for what the Journal says
editorially. It isn't trying to please
you. It will be satisfied if it can oc-
casionally give you something to think
over.

But you may write your own edi-
torial. You don't need to depend on
the Journal's. On any subject you think
worthy of discussion, write your own
opinion, mail it in and it appears as
a communication. We don't care in
the least whether or not your idea
agrees with ours on the same subject.
We are not responsible for what you
say, it doesn't bother us if you show
us up, in fact we like that, for some-

times we may thus learn something
we ought to know.

Write your own editorial.

A Good Suggestion From Chairman
Parks

In opening the new concrete high-
way in the town of Plover from the
paper mills to Highway 10, Chairman
D. H. Parks requests Stevens Point
motorists, particularly at night, to
turn at Seth street and make the cir-
cuit by way of the mills first, then
coming out on Road 10 and returning
via McDill. This is sure to be an
attractive evening drive. If Mr. Parks
advice is followed, it will do much
to keep down the number of accidents.

MAN STRUCK DOWN
ON WAUSAU ROAD

Auto Hits Illinois Resident Engaged
in Repairing Tire on
Friend's Car

M. J. Barnes of Oak Park, Ill., re-
ceived severe external and internal
injuries last Friday afternoon when
he was struck by an automobile on
the side of the Mosinee-Wausau road
south of Rothschild as he was repair-
ing a tire on a friend's car.

He was taken to the hospital at
Wausau, where it was found that he
had suffered a broken left arm above
the wrist, a deep gash below the chin,
a cut over an inch long on his upper
lip and other severe bruises to his
face and right knee, besides internal
injuries.

The accident occurred as two cars
were passing parallel with the stand-
ing automobile. The car to the right
forced the other car closer in and it
struck Barnes, throwing him down on
his face on the pavement. The injured
man was taken to Wausau by the
driver of the car that struck him, but
whose identity was not given.

PRESIDENT HYER HERE

Normal at Whitewater Enjoys Big
Growth Under His Guidance

President Frank S. Hyer of the
Whitewater State Normal school, Mrs.
Hyer and three of their children,
Frank, Miss Harriet and George, in-
vited to Stevens Point Saturday and
are spending a few days with friends.
Mr. Hyer was formerly principal of
the training department at the Normal
here.

The Whitewater Institution, under
the guidance of its executive, has en-
joyed a remarkable growth in the past
several years. Ranking ninth in at-
tendance among Wisconsin Normals
when Mr. Hyer became president, it
climbed to second place, being sur-
passed only by Milwaukee. Stevens
Point and Whitewater had enrollments
last year almost the same. Whitewater
taking the lead early in the year and
the local school forging ahead after
Christmas.

The Whitewater Normal specializes
in a commercial course and a half
dozen students from Portage county
were among those in attendance last
year. Sixty-one of the 71 counties in
the state were represented in the stu-
dent enrollment.

DRIVE TO ROSHOLT

Local People Attend Last Sessions of
Convention

About twenty Stevens Point people
drove to Rosholt Sunday to attend
the concluding sessions of the fifth an-
nual convention of the Young People's
Luther league of the Green Bay and
Scandinavia circuits.

The convention was in progress dur-
ing the past week-end, and delegates
were present from all sections of the
circuit. Rev. Theodore Ringo and
Loren Gordon of Stevens Point were
present as delegates.

PURCHASING AGENT
FOR CITY OF RACINE

Plan Put in Force Expected to Mean
Saving of Thousands

Racine Wis., Aug. 21. When "Hell
and Maria" Davis suggested that the
federal government be run on a
business basis to save the Racine
common council a bright idea that
is expected to save thousands of dol-
lars annually.

At the suggestion of the mayor,
Comptroller William Hayman has
been made the official city purchaser
agent. He has as the authority for-
mally given to a dozen bureau boards
committees and sub-committees. He
will purchase in large quantities, and
take advantage of cash discounts.
A store room will be provided for
housing the city's reserve supplies.

MANY BANKERS
ATTEND CREDIT
MEETING HERE

New Association Formed and
Capital Stock is to be
\$25,000

Forty bankers from 11 counties in
central Wisconsin met at the Elks'
club rooms here Saturday afternoon
and formed the Central Wisconsin Ru-
ral Credits association.

The association's purpose is to act
as a clearing house for the buying and
selling of farm mortgages. The capi-
tal stock will be \$25,000, to be used
in shares having a par value of \$10
each. So that no misunderstanding
may occur, it is explained that this
subscription money is not to be used
in buying mortgages from farmers as
the organization will confine this part
of its business to placing them through
bond houses and insurance companies
in large blocks.

Tentative Board Named

The meeting was held here Satur-
day upon invitation of Cashier A. C.
Kingston of the Citizens National
bank, who was named a member of a
tentative board of directors which is
composed of 11 men, one from each of
the 11 counties represented. A perma-
nent board will be chosen following
the sale of stock when a meeting of
the stockholders is held.

The location of the association's of-
fices has been left to the board of di-
rectors to decide. Mr. Kingston, at
Saturday's meeting, proposed that Stev-
ens Point be selected. Both this city
and Wisconsin Rapids are being fa-
vorably considered for the offices.

Much interest was displayed by the
bankers in the rural credit problem,
and it was the belief of all who were
present that their plans can soon be
successfully put into practice. Among
those taking an important part in the
meeting were Messrs. Kingston and J.
W. Dunegan of this city, L. A. Pom-
ero of Amherst and W. F. Collins of
Arnold.

Articles Are Adopted

At the meeting on Saturday, articles
of incorporation were adopted by the
bankers. The membership of the new
organization is not to be confined to
bankers alone, but will include farm-
ers and business men as well. The
association is an outgrowth of the Cen-
tral Wisconsin Development associa-
tion, which is now functioning in the
interests of agricultural improvement
in this part of the state. Mr. Kingston
is a member of the board of directors
of this association.

NEARLY ONE HUNDRED
NEEDED FOR Y TRAIL

Chamber of Commerce Makes Another
Appeal to the People of
Stevens Point

Subscriptions for the local Yellow-
stone Trail quota are slowly coming
in and it is hoped by the Chamber of
Commerce that \$235 will be raised be-
fore the end of this week. This amount
represents the 1922 assessment for
Stevens Point.

The Yellowstone Trail brings into
Stevens Point scores of auto travelers
each day who would not come unless
the trail led them here. It is espe-
cially to the advantage of Stevens
Point garage men, gasoline service
stations, restaurants and cigar stores
as well as other business men to sup-
port such an institution.

There is hardly a week that nearly
every state in the union is not repre-
sented by tourists going east or west.
A few days ago, one of the officers of
the chamber noticed an Alaska license
on a car. He was interested suffi-
ciently to have an interview with the
tourists and was told that they ship-
ped their car from Alaska to Seattle,
Wash., and were following the Yellow-
stone trail across the continent to
Boston, Mass. En route, the party
was camping at the free camp sites
wherever to be found and would stop
at the Stevens Point tourist camp un-
til the following morning. Having
traveled by land and water some 4,
000 miles, the party was looking for-
ward with equal interest to the com-
pletion of the trip when it would
ship the car from Boston to Florida
and taking a southern route into Cali-
fornia, thence back to their home in
Alaska.

MOVING TO THE CITY

Mr. and Mrs. J. E. Manchester and
daughter, Miss Genevieve, of Oxford,
Wis., are soon to become residents of
this city once more. They are former
residents here, but for the past sev-
eral years have lived at Oxford. Mr.
Manchester has been pursuing his voca-
tion of carpenter in Stevens Point
for some time past. Miss Genevieve
will attend the Stevens Point State
Normal school this fall.

Algie Bourn's Name
Must Be Printed in
The Primary Ballot

The name of Algie Bourn, de-
ceased county clerk, who was a candi-
date for the Republican nomination
to that office, must appear on the bal-
lots in the September primary.

Mr. Bourn having passed away,
leaving a double vacancy, one in the
Republican ticket and the other in the
county office which he held so long,
voters who wish to nominate a candi-
date for the office must write the
name of their candidate in the bal-
lot, in the blank space underneath
Mr. Bourn's name.

Miss Ruth McCallum, present de-
puty county clerk, has already started
a campaign in the county, asking Re-
publican voters to write her name in
the ballot and put a cross after it.
If Mr. Bourn's name receives the
largest number of Republican votes
cast in the primary for that office,
the Republican county committee,
which is to be elected at the primary,
will meet and select a candidate to
fill the vacancy.

If Miss McCallum or any other Re-
publican candidate receives a larger
number of votes from persons who
wrote the names in and made a cross
after the written name, that person
becomes the Republican nominee for
the office.

The Republican county committee
is named at the primary, one man be-
ing chosen from each ward in the city,
and from each town and village in
the county. There is a blank space
left on the ballot where the name of
the committeeman may be written in
and voted for.

The vacancy on the Republican
ticket could not be filled by the com-
mittee before the primary, according
to an opinion received by District At-
torney B. J. Carpenter from the at-
torney general's office at Madison.

The opinion says: "The deceased
person was nominated by individual
members of a political party (presum-
ably constituting not less than three
per cent nor more than 10 per cent of
the party vote at the last presidential
election) as a candidate for the nom-
ination of that party for the office in
question at the forthcoming primary
election. Manifestly, the party com-
mittee, which can only act for the
whole party and not for a group of
its members thereof, has no author-
ity to substitute the name of any
other person for the name of the de-
ceased person who was nominated for
such a group as their candidate."

How to Nominate

If the voters will be careful not
to mark a cross after Mr. Bourn's
name on the ballot, a nomination of
another person can be made without
complications.

MADISON BUS SERVICE
SOON TO BE DOUBLED

Interurban Rapid Transit Company to
Put Another Car on
the Route

Doubling of the passenger bus ser-
vice between Stevens Point and Mad-
ison will take place late in September
or early in October, according to an-
nouncement of J. L. Ripton, manager
of the Interurban Rapid Transit com-
pany, which operates the busses be-
tween here and Madison and between
Stevens Point and Wisconsin Rapids
and Mosinee.

The bus between here and Madison
has become so popular that the in-
creased business has caused the plac-
ing of an order for a new Packard
twin six limousine similar to the one
now operating between Stevens Point
and the capitol city. According to
Mr. Ripton, passengers have been so
numerous that during the past week
more than 30 people had to be turned
away because of the limited capacity
of the coach, which holds 15.

When the new bus is put on, two
terminals will be maintained, the one
in Stevens Point, and one at Madison.
At the present time the one bus leaves
here at 7 o'clock in the morning for
Madison and at 1 o'clock from Mad-
ison to Stevens Point. When the new
bus is put on, one will leave here for
Madison at 7 a. m. and the other will depart
from Madison for Stevens Point at 7
a. m. Then in the afternoon, when the car
leaves at 1 o'clock for its return trip
to Madison, the other machine will be
leaving Madison for Stevens Point and
intermediate points.

The service is highly popular in the
small towns and villages between Stev-
ens Point and Portage, where stops
are made, it is said, and the travel
between villages is large.

The busses will be operated as late
as fall as possible and attempts are
being made by the company to secure
the regular plowing of highway 10,
during winter months so that the road
will be open to traffic during the
winter.

ski, Hauser, Snow; bases on balls off

Game called, 3:00. Time 2:10. Um-
pire, A. Bartkowiak and Viertel.

W. Bowersick and Heime Groh's
base all club were rude hosts at the
homecoming for Big Emil Wloszynski
at the fair grounds diamond on Sun-
day afternoon. Emil was received with
a barrage of 14 safe hits, enough to
defeat himself and his Iola cohorts by
a score of 11 to 4.

It wasn't entirely Emil's fault that
he was so roughly handled by his for-
mer Point teammates. For he was
given ragged support in the infield,
and errors at crucial times and dumb
playing with men on the sacks caused
considerable runs.

Nothing on Ball

At the same time, however, the big
pitcher didn't seem to have anything
on the ball that he could be proud of.
In the first inning the Groh men ripped
off three tallies on two walks, a
sacrifice by Peckarski and a single
by Hauser. As the game progressed he
lost either his heart or his effec-
tiveness, for he was touched for hits
by everyone. Beyer, the Point pitch-
er, was the only local man not to
single safely.

"Lefty" Kettenbell, who was to have
pitched for the Point on Sunday, heard
the call of "organized baseball" and
placed his lot with the Oshkosh In-
dians in the Fox River Valley league.
The local management was notified of
the left hander's "rise" on Saturday
afternoon and Beyer was brought up
from Milwaukee by "Pat" Hauser.

Beyer Milwaukee Boy

Beyer was the championship pitch-
er in the major league in the amate-
ur baseball association of Milwau-
kee last season. He's a stocky right
hander and went along well. Iola se-
cured nine hits off his delivery, in-
cluding three two baggers. The wind,
which carried fly balls into safe ter-
ritory before scurrying outfielders,
gave both teams hits that would have
been safe in a quiet day.

Wloszynski, formerly the favorite
of Point baseball fans, received plenty
of "raaz" during the matinee. Every-
thing he did, and he did lots, was

greeted with good natured bantering.
Emil's propensity for "crabbing" was
noticeable in the affair, and these
outbreaks caused much discord from
the stands.

Game Safe Early

Groh's assistants hammered the
game into a safe place early in the
affair, and in the sixth turned the
score into 11 with a climax of blows.
Four safe hits, three steals, errors
and congealed Iola headwork, resulted
in four tallies.

Iola's first tally was marked up in
the second. Wenzel, snappy backstop,
singled, the first hit of the day for
his club, Peterson sacrificed and Wirst-
stagen got a freak double when the
wind carried his high fly out of Groh's
territory. Wenzel scored.

In the eighth the visitors secured
two more when Wloszynski doubled,
Johnson, who had been safe when
Yach got mixed up on his grounder,
scoring. Emil was a second later
caught off second and was put out by
Normoyle. Zimmerman scored on a
grounder. Guyant's double in the
ninth and a hit by Cavel caused the
fourth run.

The Guarantee Hardware club de-
feated the Iola seconds in the curtain
raiser 3 to 0.

Legislative Ticket
All Dry in G. O. P.

According to the Anti-Saloon league,
bulletin which was received to-
day, all the legislative candidates run-
ning in Portage county on the Repub-
lican ticket are dry.

The bulletin says:
"State Senator—
"Herman J. Severson—Father Sev-
erson dry enforcement law. Deserves
solid dry support.
O. A. Crowell, Dry.
"Member of assembly—
"William M. Scribner. Bone dry. He
made our fight.
"Ben Halverson Bone dry."
All of the candidates on the Repub-
lican ticket being dry, according to
the Anti-Saloon league, the dry voter
is left to make his choice between
them on other issues.

Indorses Browne

The Anti-Saloon league indorses Ed-
ward E. Browne for member of con-
gress in this district. He declares he
"deserves solid dry support."

For Morgan

Morgan on the Republican and Mat-
hie on the Democratic ticket are pre-
ferred for governor. The bulletin
says:
"William J. Morgan (Rep.). Bone-
dry record and platform.
"Karl Mathie (Dem.). Bone-dry.
"John J. Blaine (Rep.). Leaders of
wet organizations supporting him. Ve-
toed dry enforcement bill, and had bill
introduced which received solid wet
vote and support of brewery lobby-
ists.
"Arthur A. Bentley (Dem.). Stand-
for beer and wine; supported by the
wets."
For attorney general, the officer who
will be in a position to enforce dry
enforcement, the bulletin says:
"John F. Baker (Rep.). Life-long

bone-dry fighter. Expert on dry law
enforcement.
"Herman L. Ekern (Rep.). Support-
ed county option in 1909; no recent
record; no statement received."

Not for Bob

On the senatorship it states:
"W. A. Ganfield (Rep.). Life-long
bone-dry fighter. Openly opposes beer
and wine; declares for rigid law en-
forcement.
"Robert J. M. LaFollette (Rep.)
States his own position: "I have never
believed in the principle of prohibi-
tion, and therefore have never sup-
ported it."—Congressional Record, p.

YOUTH M'CALLUM ENDORSED FOR COUNTY CLERK

Supervisors Unanimously Pass Resolution Praising Her Record

Miss Ruth McCallum, who was elected county clerk Saturday afternoon by the board of supervisors of Portage county, was endorsed for the publican nomination at the primary, member 5, and for election at the general election in November, in a resolution which was unanimously passed a few minutes after she had been appointed to fill out the unexpired term of Algie E. Bourn, deceased.

The resolution was presented by George Stertz, supervisor from Juneau City, and received a vigorous seconding and passage. It speaks of Miss McCallum in unqualified terms as follows:

Praise for Record
"For several years last past Ruth McCallum has been deputy county clerk, and has proven her worth, and reason of her occupancy, of said position is now familiar with all of the duties incumbent upon the county clerk, and further that Ruth McCallum has at all times demonstrated that she is a lady of strict honor and integrity and is at all times affable and pleasant, and the possessor of a large fund of general information so necessary in an efficient clerk."

"That the county board now in session, endorse, and we urge the nomination, at the coming primary election, and the election at the coming general election, of Ruth McCallum the office of county clerk for Portage county, Wisconsin."

Estate Gets Salary
The estate of the late Algie Bourn received his salary as county clerk at his successor qualifies, the board decided, when it passed a motion to effect which was presented by J. Foxen, supervisor from Amherst.

A committee composed of Mr. Foxen, John A. Murat of Stevens Point, O. A. Crowell of Almond village, presented a resolution of condolence which was passed by the board and presented to the members of the Bourn family.

Sympathy for Family
The resolution: "Whereas, God in his wisdom has removed from our midst Hon. Algie Bourn, our efficient county clerk, who has served the county in that capacity since May 21, 1906, and we, members of the board of supervisors having been called in extra session to fill the vacancy caused by his death, deem it proper that we record sympathy and esteem for our departed clerk."

Loss True Citizen
Therefore, be it resolved by the board of supervisors of Portage county that in the death of Hon. Algie Bourn, the county and state have lost a true, impartial and upright citizen, a man who was in every way pious, competent, obliging and diligent to serve every one whom he had business connections with, conscientious and devoted to every public duty, who for sixteen years of his life as county clerk, efficiently labored in his official duties and giving his office his best possible service, by his service and kindly ways endeared himself to the different members of the board as well as to every one whom he came in contact with. Resolved, that these resolutions be read at length upon the minutes, and that a copy of these resolutions be sent to the family of the deceased.

**"J. O. FOXEN
"JOHN A. MURAT
"O. A. CROWELL"**
Can Appoint Deputy
Miss McCallum will be allowed to appoint her own assistant, the appointment to be effective until the next board meets in November. It was decided. A resolution was presented by John A. Murat, supervisor from the Second ward in Stevens Point, giving Miss McCallum the power to appoint her assistant but on recommendation of Don Sawyer of Beloit. This was amended, making the statement effective until the board's next meeting in November.

Mr. Sawyer also recommended that F. Atwell be made a member of the committee on purchases and supplies, and that Miss McCallum be authorized to meet. The resolution as thus amended was passed. Miss McCallum's appointee will receive the salary which she has been receiving.

BELMONT ITEMS

Mr. and Mrs. Walter Johnson are proud parents of a baby girl, born August 15.

Miss Laura McFaroe began her school in the Hotel district August 15.

Mr. and Mrs. John Wood of Wausau spent last week with their daughter, Mrs. Bert Weid, and family.

Several families from this town attended blackberrying last week. Bert Peterson has gone to the northern part of the state to avoid fever.

W. W. Sawyer drove to Stevens Point Saturday to attend a meeting of county board.

Mr. and Mrs. Frank Dent spent a part of last week at their home. Mr. and crew took a few days vacation from their road work.

Marries Antigo Farmer
Stanley Spychalla, owner of a farm near Antigo, and Miss Rose Aaron of Carson were married at St. Bartholomew's church, Mill Creek, Tuesday at 9 o'clock. Rev. Leo Jankowski officiating. They were attended by Frank Spychalla of Antigo, Miss Elizabeth Aaron, Jos. Aaron, Jr., and Miss Theresa Duloch.

The bride wore a gown of white georgette and messaline, with bead trimmings. Miss Elizabeth Aaron's dress was of orange crepe de chene and Miss Duloch was dressed in pink organdie.

A dinner and reception followed at the home of the bride's parents, Mr. and Mrs. Joe Aaron, in Carson.

Mr. and Mrs. Spychalla will leave for their Langlade county home the latter part of this week.

Carl Kreuger Married

Carl Kreuger, son of Henry Kreuger, 804 Center street, and a graduate of the Stevens Point high school and University of Wisconsin, was married in Milwaukee last Saturday morning to Miss Helen E. Reynolds, for several years employed as a social worker in that city. Local relatives present at the ceremony were the groom's father and his two sisters, Miss Otellia and Harriett Kreuger.

The groom finished the high school course here in 1908 and was awarded his university diploma in 1916, and has since been employed in the engineering department of the Wisconsin telephone company.

The newlyweds will be at home after September 5 in an apartment on Fifteenth street, Milwaukee.

Show for Miss Cadman

Miss Mary Klinkert, 132 Algoma street, was hostess Monday evening to 15 young ladies at a canned goods shower in honor of Miss Helen Cadman. The evening was spent informally. A mock wedding furnished much merriment. Light refreshments were served. Miss Cadman is to be married September 12 to Joseph Brusk.

Pretty Church Wedding

A pretty wedding was solemnized at St. Peter's church last Wednesday morning when Miss Marguerite Mrozinski, daughter of Mr. and Mrs. Nick Mrozinski, 718 Sixth avenue, became the bride of Bernard B. Koss, son of Mr. and Mrs. Joseph Koss, 208 Washington avenue.

The nuptial ceremony was followed by the celebration of high mass. During the mass St. Cecilia's choir, of which the bride is a member, sang, and a violin solo, "Ave Marie," was played by Ed. Bukolt. The bride was given away at the altar by her father and in the marriage ceremony the double ring service was used.

The couple were attended by Miss Irene Mrozinski, sister of the bride; Frank Koss, brother of the groom; Miss Ida Mancheski and John Koss, another brother of the groom.

The bride's gown was of white brocade satin with a train of the same material, and she wore an imported head-dress and hand-embroidered veil. She carried a shower bouquet of white roses and lilies. Miss Irene Mrozinski wore a gown of pink and blue changeable taffeta with a picture hat to match, and Miss Mancheski wore pink and yellow changeable taffeta with a picture hat. Both bridesmaids carried shower bouquets of white asters.

A three course wedding dinner was served at the home of the bride's parents to members of 30 families. The home was decorated with streamers of blue and white and bouquets of pink asters were also used, with smilax on the tables.

The couple left on a night train for Chicago, where they will spend a week. Upon their return home they will reside with the bride's parents.

Mrs. Koss is a well known local young lady and for a number of years has been employed as a stenographer at the offices of the Worzalla Publishing company. The groom is a clerk at the N. M. Urbanowski store. He was formerly a shipping clerk at the Worzalla plant.

Relatives from away who are here to attend the wedding are Mr. and Mrs. Frank Mikos of Chicago, cousins of the groom; Mrs. Stan Schemanski of Chicago, an aunt of the groom; Mrs. Joseph Gungla, an aunt of Mr. Koss, and her three sons, all of Antigo; Mrs. Bruno Skodinski of Antigo, a cousin of the groom; Mr. and Mrs. Charles Drager of Antigo; and Mr. and Mrs. Anton Replinski of Fancher.

Carter-Lind Wedding

A pretty wedding took place at the home of Mrs. Ericka Lind, 705 Shaurette street at 8 o'clock Saturday evening, when her daughter, Miss Alice Lind, was united in marriage to Rev. G. F. Carter of Chicago. Rev. R. A. Barnes of St. Paul's M. E. church performed the ceremony.

The bride and groom were attended by Miss Jennie Johnson and Otto P. Lind, cousin and brother, respectively, of the bride.

Mrs. Carter was gowned in white tulle, and she wore a corsage bouquet of white sweet peas. The bridesmaid wore pink crepe de chine and a corsage bouquet of sweet peas.

Both Mr. and Mrs. Carter are recent graduates of the Moody Bible institute in Chicago, in which city Mrs.

Carter has been employed as a private secretary for the past few years. They will be at home in Chicago after September 1, at 1027 North LaSalle street. Rev. Mr. Carter has a charge in the northwest side of Chicago.

Following the ceremony a three course wedding supper was served to relatives of the couple. The house was decorated in a color scheme of pink and green, ferns and cut flowers being used.

Zwick-Kleeman Wedding

Herman Zwick of the town of Hull and Miss Helen Kleeman, whose father Joseph Kleeman, lives near Hatley, were married at St. Stanislaus church last Wednesday morning. Rev. A. Makowski officiating, the double ring service being used. The bride was attended by Miss Sophie Franks and Ted Kleeman was best man. Little Anna Zwick, a niece of the bride, served as flower girl.

The bridal gown was of white satin and she carried a bouquet of white roses. Miss Franks wore peach colored satin and her bouquet was composed of pink roses. White organdie was worn by the flower girl and she also carried pink roses.

A wedding dinner was served this noon at the home of the bride's grandmother, Mrs. Theo. Kleeman, 624 Minnesota avenue.

Would Rent Castle

Mrs. James W. Corrigan, formerly Miss Laura Mae Whitrock of this city, a daughter of Mrs. W. F. Parker, recently attempted to rent Blenheim castle in England for the season, according to a Sunday Milwaukee newspaper. The paper contained the following article:

"Word concerning the James W. Corrigan continues to filter over from London. The latest is the gossip that Mrs. Corrigan, who before her marriage was Miss Laura Mae Whitrock of Stevens Point, had raised ambitious eyes to Blenheim castle, with a view to renting it for a season."

"A new York correspondent, writing to a Detroit paper, remarks:

"It is interesting to note that the super-ambitious Mrs. James W. Corrigan is not presiding over that majestic pile this summer. All of which, no doubt, is a great blow to the lady who first gazed out upon life from humble surroundings in Stevens Point, Wis. Earlier in the season Mrs. Corrigan, it is reported, made frantic efforts, by way of Mrs. George Keppel, to lease Blenheim, and one bit of gossip has it that she was willing to pay a stupendous rental and still allow the duke and the new duchess to occupy certain wings of the palace, which was restored to its early splendor some years ago, by the late William K. Vanderbilt, father of the duke of Marlborough's first wife."

"Mrs. Corrigan's offer was turned down."

Allen-Marsh

A quiet home wedding took place Monday evening at 8:30 o'clock at the residence of Mr. and Mrs. W. E. Allen, 311 Pine street, when Miss Florence A. Allen, their daughter, became the wife of Herbert M. Marsh, a son of Rev. and Mrs. W. A. Marsh of this city. The ceremony was performed by Rev. Mr. Marsh. The couple were unattended.

The bride was dressed in a simple white gown of canton crepe. She carried a shower bouquet of tea roses.

Immediately following the ceremony a wedding supper was served at the Allen home to immediate relatives of the bride and groom. Those from away who were present were: Mr. and Mrs. William Gillette and Mr. and Mrs. H. L. Schermershorn and son Paul, of Madison; Mrs. Loretta Diltmars and two children of Chicago, and Carl Cramer of Rockford, Ill.

The bride and groom left Monday evening on a week's camping trip near Menomonee, Wis., making the trip by car. They will be at home after September 1, at Ashland, where Mr. Marsh has a position as instructor in the high school.

Mrs. Marsh attended and was graduated from the Stevens Point High school and the Stevens Point State Normal. She taught at Edgar and Weyauwega and for the past three years has been teaching at Rockford, Ill.

Mr. Marsh is also a graduate of the State Normal here, and was graduated from the University of Wisconsin this year. He has had several years' teaching experience, and served in the navy during the world war.

Banns of Matrimony

Banns of matrimony were announced for the first time on Sunday morning at St. Stephen's church, for Guy R. Love and Miss Mary Van Rossum, both of Stevens Point.

VISIT AT THE LAKES

Many People at Pleasant Valley Were at Camp Cleghorn

(By Special Correspondent)
Pleasant Valley, Aug. 19—Nearly every one in the valley was either at Lanark or Camp Cleghorn last Sunday.

Mrs. I. B. Newby of Madison arrived at the Charles Fletcher home last Saturday. Mrs. Newby will visit friends and relatives in the Valley and at Liberty Corners for some time.

Mrs. D. C. Bourcier and daughter, Edith, visited from Thursday till Saturday at the home of her mother, Mrs. Frank Wagner, on Center avenue in Stevens Point.

Those from this locality who have attended the fair, which includes nearly every one, thought it good.

TOTAL RECEIPTS OF THE '22 FAIR ARE OVER \$7,000

Estimated Attendance on Amherst and Children's Day is 5,000

FAIR FIGURES

Total receipts, four days, \$7,890.
Total attendance, Friday, 5,000.
Total gate receipts, Friday, \$856.25.

The 1922 Stevens Point fair, which came to an end on Friday evening, will just about pay for itself, it is the belief of the officials and directors of the fair association.

The total receipts for the four days, including gate receipts, entry fees, concession rentals and miscellaneous money paid into the association treasury, are \$7,890. As the expenses of the fair run somewhat over an estimated \$7,000, the fair will do little more than pay for itself.

Beat Previous Two Years

While the attendance at the fair on its last day, children's and Amherst day, was not as large as was hoped, the gate receipts were larger than for two previous years, 1920 and 1921. The night fair ended in a blaze of glory on Friday night, with a grandstand filled, and hundreds of people lining the midway. The estimated attendance for both afternoon and evening was 5,000 about equally divided between afternoon and evening.

Receipts at the Main street and Michigan avenue entrance to the grounds were larger in the evening than in the daytime, \$191 being taken in during the morning and afternoon and \$239 in the evening. These figures do not include the total receipts at the auto gate on East Main street.

More in Grandstand

Figures show that the attendance at the grandstand was larger in the evening than during the afternoon. In the afternoon the receipts were \$134.50, at an admission price of 25 cents. In the evening the receipts totaled \$107, at an admission price of 10 cents.

The total gate receipts for the four days of the fair were \$5,286. To ascertain the total figures for the week, must be added \$780 received in race entries, \$1,150 from concession rentals, and \$400.50 in season ticket sales. Other miscellaneous money paid in brings the sum to the grand total of \$7,890.

DECEPTION USED SAYS STRIKE HEAD

James Vennie Claims Men Were Sent Here Under False Pretences

Deception is being used in the employment of men brought here to take Soo line strikers' places, James G. Vennie, chairman of the strike committee, charged in a statement to the Journal Tuesday.

Mr. Vennie referred to two cases which came to his attention Monday. He said that Ralph Hamlin and Oscar Kurseth of St. James, Minn., each 19 years of age, were sent to Stevens Point Monday after having hired out through a Minneapolis employment agency on the promise that they were to be given work on a construction gang where there was no strike trouble.

After arriving here, Mr. Vennie said, the young men found out that Soo workmen were on strike and went to the strike headquarters with their story. They were hired as cooks but did not wish to go to work under existing local conditions, Mr. Vennie said. The pair were given some money to buy meals by the men on strike and left on a night train, returning to Minneapolis. They arrived in Stevens Point on an afternoon train on the Soo and did not go to work in the yards, the local strike chairman asserted.

OPEN NEW STREETS

Four blocks of new concrete pavement, laid this summer by the Cast Stone Construction company, were opened to traffic on Saturday.

The pavement opened for use is on Park street, two blocks from Strong's avenue to Water, and Water from the Soo line tracks to Shaurette street, two blocks.

More of the concrete recently laid in that section of the city will be ready for use about the middle of next week, according to Contractor Childs. Wisconsin street from Church to Water, three blocks, will be opened, as well as an additional block on Water street, from Shaurette to Wisconsin.

CITY BRIEFS

County Judge W. F. Owen and family left the city this morning by car to drive to Janesville, to visit with relatives. Judge Owen is taking a several weeks' vacation from his duties.

Miss Evelyn Snyder, who has been visiting for a couple of weeks at the home of her brother, W. F. Snyder, Church and Brawley streets, expects to leave tonight on her return to Louisville, Kentucky.

Mr. and Mrs. Fred Mersch and family and W. F. Mersch drove from St. Paul early in the week and visited at M. J. Mersch's home in this city and among other relatives in the county until this morning. They are accompanied on the return trip by Fred Jr.

who spent the summer vacation with his sister, Mrs. Benjamin Spoits in Carson town. W. F. Mersch, who is a former instructor at the Stevens Point business college, now has charge of the commercial department at St. Thomas college, St. Paul.

Miss Grace Kelly is enjoying a couple of days' outing with friends at Waupaca lakes.

Misses Abbie Sullivan and Lillian Weislander of Green Bay were guests of Miss Mamie Ule a couple of days this week. Both of the visiting young ladies graduated from the Normal here and are now employed as teachers. Miss Sullivan at Marion, Waupaca county and Miss Weislander at Nekosha.

Mrs. Emmons Burr spent today at Amherst, guests at Burt Harvey's home.

Mrs. August Fierek and daughter, Miss Helen, left for Green Bay this morning, the latter to spend a week there while Mr. Fierek expects to remain a couple of weeks.

SLAIN MAN'S FRIENDS DENY BEING DRUNK

Only a Pint of Moonshine Consumed by Them on the Night of Tragedy

Moonshine whiskey and the state of inebriation likely to be caused by the consumption of the same held the center of the stage at the preliminary hearing in the case of Mrs. Lucile Daugherty, charged with the murder of Adolph Virum of Wisconsin Rapids. The hearing opened at Wisconsin Rapids Friday.

Nick Wester and Fred Knuth, two of the men who were with Virum at the time of the shooting on the Rapids-Plover road a week ago Friday night, were questioned in detail by both District Attorney Frank Calkins and Attorney John Roberts, who is representing the defendant. Testimony of Dr. F. C. Pomainville, who was called to attend Virum after the shooting, and who extracted the bullet from his head, was also taken. Another witness was John Ernsner, who arrived at the scene shortly after the tragedy and helped carry the wounded man to the hospital.

Deny Intoxication

Attorney Roberts, in an apparent attempt to establish the contention that Virum or other members of the party were intoxicated at the time of the shooting, questioned both Wester and Knuth at some length in regard to the amount of liquor obtained and consumed. Both men stuck to the story told at the inquest, however, that one pint of liquor was in the possession of the party the evening in question and that five of the men had two drinks each from the bottle and that Knuth had four, including one given him as a sample by the stranger from whom he purchased it at Mechan station. Knuth denied that four drinks of the liquor were sufficient to make him drunk.

Mr. Ernsner, in answer to questions, asserted that when he arrived at the scene of the shooting all the men appeared to be sober, and that although he smelled liquor on the breath of some of them, he saw no indications of intoxication.

Trip Made to Mechan

The testimony was largely a repetition of that brought out in the inquest last Wednesday. The trip to Mechan and return was gone over in detail, together with the shooting affair, and the events immediately following. The only new point brought out came in the testimony of Knuth, who asserted that after Wester and Kruger left to call a doctor, Mrs. Daugherty and her mother, Mrs. Eichhorn, came to the spot where Virum was lying by the roadside. Knuth lost consciousness at that time, supposedly by a blow alleged to have been struck by Mrs. Eichhorn, and remembered no more of the events of the night.

Dr. Pomainville, the first witness called, testified to attending Virum and to being present at his death. He produced the bullet which he had extracted from the dead man's brain.

Mrs. Eichhorn Arrested

Mrs. Eichhorn has been placed under arrest on a murder charge and will have her preliminary hearing as soon as her daughter's case is disposed of.

SUNSET LAKE CAMP OPENS ON MONDAY

Local Scouts Given Opportunity to Enjoy Outing Before End of the Summer

Camp Chick-ah-gah-mih on Sunset lake is getting plenty of use this summer by the Wisconsin Valley Boy Scout camp association, composed of the Wisconsin Rapids and Stevens Point councils.

In all, eleven weeks of camping will have been participated in by the two councils, which make a full summer of camping. Jointly over 175 different scouts have spent one or two weeks at camp and 50 girls have had the privilege of camping two weeks.

One more big week is now planned by the Stevens Point council starting Monday, August 28, and continuing until September 3. This is for the benefit of a great many scouts who were not able to spend the early part of the summer camp period at Chick-ah-gah-mih and it is hoped that at least 50 scouts will avail themselves of the last opportunity to camp this year. Applications should be made at the scout headquarters.

Many new features are planned for those who go to camp this year, among them being a three game series of baseball with the Appleton scouts who are camped on Otway lake at Chain o' Lakes, "Cub" Buck of Appleton is in charge of the Appleton camp, he being scout executive at the city. Two other interesting features will be a "ghost hike" and a "trap hike."

It is planned to have the Stevens Point Rotary Club out as guests before the camp closes, and special stunts will be put on for their benefit. A point system for excellence in camp craft and in athletics will be introduced and awards made.

The scouts will leave scout headquarters at 9 a. m. Monday, August 28, and return the following Monday.

WARNING TO FARMERS

Fake Poultry Culler May Attempt to Work Scheme Again This Year

"Look out for the fake poultry culler," So warns J. G. Halpin of the poultry department at the University of Wisconsin.

Several such "experts" were reported last year as "working" the Badger state, particularly along the eastern boundary and Halpin does not intend to have the performance repeated if warnings will do any good.

These poultry culling "fakes" go from farm to farm posing as experts in this line. They guarantee to take all the "culls" at a good price. They "land" a job and go through the flock in a business-like manner. After they are gone, it is discovered that the best birds in the flock are gone, and the culls are left for the victim of the "poultry expert."

"If a suspicious character is in your neighborhood consult the county agent," advises Halpin. "Of course where a man's honesty is known and he is a respected member of the community and just undertaking culling to help the good cause along, there is nothing wrong in employing him."

The Badger poultry authority maintains that there is no reason why the owner cannot learn to cull his or her own flock. It is toward the accomplishment of this end that members of the poultry department at the university are devoting their time and attention in culling demonstration work in this state.

During the culling season—from June to November—hundreds of demonstrations are given on Wisconsin farms by extension specialists of the state college of agriculture. Farmers and their wives gather at a neighbor's farm while the university representative shows them how to pick out the hens that are not paying for their board. A gathering of about 20 people is all that can conveniently be handled by one demonstrator.

Intensive culling work has been going on in Juneau, Grant, Walworth, Waukesha, Price, Marinette and Dodge counties during the last two years.

MISS RUTH M'CALLUM ELECTED TO SUCCEED LATE COUNTY CLERK

Unanimous Choice of Supervisors at Special Session Held in the Court House On Saturday

Miss Ruth McCallum, deputy county clerk for the past eight years, was on Saturday unanimously elected county clerk by the county board of supervisors, called in special session to fill the vacancy created by the death of County Clerk A. E. Bourn.

The board was called to order at 1 o'clock by Chairman G. L. Park and Miss McCallum's name was the only one submitted. Supervisor George Stertz of Junction City moved the election of Miss McCallum and the motion was vigorously seconded. When the vote was taken it was found to be unanimous for Miss McCallum, who will hold office under the county board's action until January 1, when the clerk to be elected in the general election in November will take office.

The county board at its session on Saturday noted to appoint a committee for the formal auditing of the records of the late County Clerk Bourn. This committee is composed of Chairman Park and Supervisors D. H. Parks of Plover and V. P. Atwell of Stevens Point.

ROADS NEAR WAUTONA ARE BEING IMPROVED

The Wauwasha Argus of Wautona contains the following relative to road work in that vicinity:

"R. H. Jones and crew have just completed their work on the Wautona-Hancock road in the town of Deerfield and will begin work on the Neshkoro-Spring Lake road and work north from the county line. The work here is grading and surfacing with gravel. About a mile of road will be completed later. From there they will go on to the Wautona-Neshkoro road. It is stated they completed a stretch of road from east of Robert Harford's house, running north to the school house, a mile west. This was graded and surfaced and the part formerly mentioned has been covered with clay and gravel. They also graded down to Main street and graded and widened the stretch of road approaching the town east."

PLEADS NOT GUILTY TO MOONSHINE CHARGE

Walter Weimer pleaded not guilty to a charge of having moonshine liquor in his possession, before Judge W. P. Calkins in court here today. Trial was set for September 15 and he was released on \$1000 bond. Weimer was arrested by county police at the farm home Thursday evening.

CHITTEWA FALLS OPENS PUBLIC MARKET SQUARE

Chitewa Falls opened its public market square last week and hundreds of farmers and business men were present to attend the dedication. A program was carried out, including a number of addresses.

SECOND DEGREE MURDER CHARGE IS PREFERRED

Jury at Rapids Names Mother of 17 Year Old Girl as An Accessory

Mrs. Lucille Daugherty, the 17 year old girl alleged to have fired the shot that killed Adolph Virum near the east city limits of Wisconsin Rapids, was formally charged with murder in the second degree following the verdict of the coroner's jury which found that Virum met his death by a rifle shot fired by her.

Mrs. Dora Eichhorn, mother of the girl, was named by the jury as an accessory to the crime but so far no warrant has been served upon her. It is believed that Mrs. Daugherty will waive examination at her preliminary hearing and will be bound over to circuit court.

Testimony in regard to the happenings the night of the shooting was given at the inquest by Nick Wester, Ed. Kruger, Fred Knute, Ed. Klappa and Anton Hoffman, the men who were with Virum on an automobile ride before his death. John Bruner of the Ragan undertaking parlors and Dr. F. X. Pomerville and Sheriff Walter Mueller also gave testimony.

Moonshine at Meehan

Practically the same story was told by all of the men who were with Virum. According to the testimony, the six left a meeting at the Union hall at the Rapids to go for a ride in two Ford cars owned by Hoffman and Kruger. They obtained a pint of moonshine whisky at Meehan and on the way home, the liquor having been consumed, stopped at a point near the Eichhorn home on the Plover road, it was brought out. They had been there less than five minutes, it was stated, when they heard shots fired from the vicinity of the Eichhorn home on the other side of the road. Some of the party wanted to leave, but Virum, an overseas veteran, made some remark to the effect that he had heard louder shooting than that, and crossed the road calling out: "Say, what are you shooting at?" Another shot was fired and he fell to the ground.

His companions rushed over, and found blood streaming from his forehead. Several of the party immediately went to Wisconsin Rapids to call a physician and to notify the officers.

Bullet in Brain

Dr. F. X. Pomerville testified that he accompanied the wounded man to the hospital, where he died shortly after midnight. He made an examination Saturday night and found the bullet lodged in the right brain, about five inches from the spot where it had entered the forehead.

Sheriff Mueller testified to having questioned Mrs. Daugherty and said that she admitted firing the shots, at first asserting that she fired only in the opposite direction, but later confessing that she fired one shot across the road in the direction of the men. The sheriff identified the bullet taken from Virum's head as of the same type as those found in the possession of Mrs. Daugherty.

Deny Intoxication

The men who were with Virum at the time of the shooting were unanimous in declaring that they were not intoxicated at the time, and in denying that their conduct previous to the shooting had been boisterous or likely to disturb people living in the neighborhood. Sheriff Mueller stated that he had been told by Mrs. Daugherty and Mrs. Eichhorn that they had been troubled recently by parties of intoxicated men visiting the neighborhood, and that the shots were fired merely to scare away the men who had stopped in the road adjoining the property.

Companion is Clubbed

Some apprehensions were felt for a time that the shooting affair on the Plover road which resulted in the death of Virum might turn out to be a double tragedy, according to Sheriff Walter Mueller.

Following the shooting, according to the story, Virum's companions called to the women that they had shot a man. Fred Knute, one of the party, jumped over the fence and ran toward the women. Mrs. Daugherty, it was said, fled into the house when he approached but Mrs. Eichhorn stood her ground when he ran up to her, and hit him over the head with a stout oak club. Knute was unconscious for some time, and it was feared at first that his skull had been fractured.

OFFICERS ARE NAMED

Merrill Man Chosen Head of State Rural Letter Carriers

A. E. Podewitz of Merrill was re-elected president of the Wisconsin Rural Letter Carriers' association at the closing session of a three day convention at Wisconsin Rapids. Henry Galenbeck of Beaver Dam was chosen for vice president, W. G. Arle of Sturgeon Bay re-elected secretary and C. L. Graner of Sheboygan Falls re-elected treasurer. A. C. Rockwood of Wisconsin Rapids was chosen as delegate to the National Rural Carriers' convention.

PASTOR LAID TO REST

Funeral Service Conducted by Rev. Barnes and Jandre

The funeral of the Rev. A. A. Held, former pastor of the German Methodist church in this city, was held at 10 o'clock Thursday morning at the home on Center street and at 10:30 o'clock at St. Paul's M. E. church. Burial took place in Forest cemetery.

The funeral was attended by a large number of his former parishioners in Stevens Point and neighboring cities, and several contemporaries in the clergy.

The services were conducted under the supervision of Rev. K. A. Barnes of St. Paul's of this city, assisted by Rev. J. A. Jandre of Milwaukee, district superintendent of the German Methodist churches in this section. The district church quartet, composed of Rev. H. Feldt and Mr. Beyer of Almond, Rev. T. C. Nagler of Green Bay and Rev. W. Wiese of Beaver Dam, was here and rendered several sacred selections during the services.

The pallbearers, four sons and two sons-in-law of the deceased, consigned the body to earth. They were Arthur A., Alfred H., Benjamin J., and J. Wesley Held, Dr. L. S. Dietrich of Marengo, Ia., and F. G. Kuhl of Stevens Point.

Those who attended the funeral from other cities were: Miss Minnie Burke of Oshkosh, Mr. and Mrs. August Lohi, Miss Lydia Ulrich and Mrs. Whiting of Wausau, and Dr. and Mrs. L. S. Dietrich and child of Marengo, Rev. H. Feldt of Almond, Rev. T. C. Nagler of Green Bay, Rev. W. Wiese of Beaver Dam and Rev. Robert Cross of the town of Maine, Marathon county.

COUNTY MAN NAMED ON STATE COMMITTEE

L. E. Gordon, Jr., One of Seven Members to Plan State Potato Marketing Exchange

Madison, Aug. 18.—The potato marketing committee of seven authorized at the third quarterly meeting of the Executive board of the Wisconsin Farm Bureau Federation has just been selected by President McKerron. This committee will draw up plans for a Wisconsin potato marketing exchange which will become the state wheel of the national fruit and vegetable marketing machine of the Farm Bureau Federation. The local shipping associations will each form a cog in the vast machine when the organization is completed.

The committee consists of Fred Arndt, Barron county; C. C. Woodard, Waupaca county; L. E. Gordon, Jr., Portage county; Jens Uehonholdt, Sawyer county; M. B. Goff, Door county; Samuel L. Woatherly, Oneida county; J. A. Schmidt, Rusk county.

In accordance with the resolution adopted by the board, those men were chosen so as to represent the principle potato sections in the state, only one man being selected from any one county.

At its first meeting, which will be held soon, this committee will make arrangements to handle as much tonnage as possible of the 1922 crop through local shipping associations and warehouses, and also to submit definite plans for a state wide organization at the third annual meeting of the Wisconsin Farm Bureau Federation next February.

The immediate problems in this work will be to secure a sufficient portion of the potato crop and to provide local storage and handling facilities. The national marketing machinery will be provided by the American Farm Bureau Federation through its purchase of the North American Fruit Exchange of New York City which has been in operation for 12 years and is now handling over 50,000 cars annually. The quality of Wisconsin potatoes is rapidly gaining national renown because of the grading regulations enforced by the department of markets.

TO ERECT BUILDING ON SLOUGH LOCATION

B. V. Martin Plans Structure 100 Feet Square for Contracting Operations

A portion of that territory known to the old time residents of Stevens Point as Moses creek, and which has during later years been referred to as the slough, will soon be practically eliminated by the erection of a cement block structure just east of the Union Street bridge.

B. V. Martin has purchased a strip of this heretofore waste property and will improve it by the erection of a one story building 100x100 feet, a large portion of which he will use for the storage of lumber and other building material required in his contracting operations. The superstructure will be erected over a solid concrete foundation 12 inches thick and extending along both sides of the building its entire length. The ends will be left open to allow the passage of water underneath. A composition roof will be placed on the building.

SOY BEANS GAIN IN POPULAR FAVOR

New Cash Crop Given Big Boost by the Commercial Outlet for the Seeds

The soy bean is rapidly taking a place as a major crop in the farming systems of the corn belt, replacing oats to a considerable extent and taking part of the corn acreage, says the Department of Agriculture at Washington. Although primarily used for forage, pasture and ensilage, the growing of seed during the last few years has become a very profitable industry. The production of seed has now increased to the point where the supply greatly exceeds the demand for planting.

County soy bean associations, growers, county agents and extension officials, notably in Illinois and Indiana, have concerned themselves in the development of a commercial outlet for the seeds, it is noted. Several mills in those states have become interested in the possibilities of that bean as a source of oil and meal. Two mills in Illinois have planned to use about 750,000 bushels this season, it has been reported to the department, while other mills are planning on a smaller scale.

The department inspectors have found considerable acreage put to growing the soy bean in the northern and corn belt states, showing a considerable increase. The possibilities of using the bean for oil and meal are ascribed by officials as the reason for the increase. Such a commercial outlet affords the grower another cash crop as corn and wheat, it is said.

The various ways in which the soy bean and its product are utilized in the United States indicate a ready market for the commercial production of soy bean seed, the department circular declares. Soy bean oil is largely used in the manufacture of soaps and paints, and it is also used in the manufacture of lard and butter substitutes, linoleum and printing ink, and as a salad oil. The cake or meal is a superior cattle feed and of high value for human consumption.

PORTAGE COUNTY WOMAN ONLY THIRTY YEARS OLD MOTHER OF 16 CHILDREN

Thirty years of age and the mother of sixteen children, eleven of whom are now living, is a distinction accorded Mrs. Erwin Wilson, wife of a prominent farmer near Kellner postoffice, on the Portage-Wood county line. Triplets, two boys and a girl, were born to Mr. and Mrs. Wilson on Monday of last week. They are also the parents of three pairs of twins. Mrs. Wilson is of slight stature and weighs only 110 pounds. The newest arrivals are said to be lusty youngsters and of perfect physical development.

INTERCOUNTY PICNIC AT CHAIN O' LAKES

An intercounty Masonic picnic will be held August 24 at Camp Clevhorn, at the Chain o' Lakes and provision has been made for a baseball game, tennis courts, bathing beach and parking space for several hundred cars. The Northern Wisconsin Masonic band will furnish music for the day. Milton R. Stanley of Shawano will lead community singing and Charles Carroll and Dr. W. A. Gaudfield will have charge of the entertainment. Waupaca and Shawano county Masons will attend.

BIG YIELD REPORTED ON BUENA VISTA FARM

Farmers in some parts of the county are disappointed at the final measurements as made by threshing machine indicators when the seasons crop of small grains is threshed, but John Bibby of Buena Vista has no complaint to make this year. Mr. Bibby harvested ten acres of oats, from which he secured a total yield of 268 bushels and nineteen acres of rye which gave him 244 bushels. He also had a small patch of wheat, extending over one and one-quarter acres, which yielded 28 bushels of this flour making cereal.

WOOD COUNTY CATTLE SHIPPED TO CANADA

Two carloads of grade Guernsey and Holstein cattle, including several grade Guernsey bulls, were shipped from Wood county recently to Manitoba, Canada, where they will be placed upon a large dairy farm supplying milk to the city of Winnipeg. This is the second shipment of Wood county cattle to the Winnipeg farm. Eighteen carloads of Wood county cattle have been shipped from Vesper this season, netting about \$22,000.

TALL SUNFLOWER GROWS IN WATER STREET YARD

A sunflower 13 feet in height and crowned with a single golden blossom, is claimed to be the tallest in the city by H. A. Scherer. It is growing in the Scherer yard at 636 Water street. The Scherers have a flock of Ancona spring chickens only four and one-half inches tall and have already received 10 eggs.

PORTAGE COUNTY GIRL ADMITTED TO SISTERHOOD

Six candidates for the order of the Sisters of St. Sorrowful Mother, including one from Portage county, were received into the order at Marshfield last week. Five others made their first vows. Miss Laura Berger, now Sister Seafried, a daughter of Mrs. Frank Simons of Springville, was one of the class admitted to the order.

Sister Superior Here For Forty-two Years Called to New Field

Sister Mary Jerem, sister superior of the Sisters of Notre Dame convent on Ellis street for the past 42 years, has received word to report to the Motherhouse of the order at Milwaukee, to be transferred to some other field of endeavor. She left here for Milwaukee today.

Sister Jerem, or Sister Superior, as she has been better known among her friends and the pupils at St. Stephen's school, over which she has had supervision during the time she has been in Stevens Point, leaves behind a large circle of friends and admirers. Her strict, yet gentle supervision over the pupils at the school, has endeared her to all of them.

Sister Superior came to Stevens Point when the city and St. Stephen's school were still young, and most of the credit for the high standards of teaching and scholarship maintained at St. Stephen's school is due her.

Because of the many friends she has here, Sister Superior was loath to leave. Where she will be located next year, she does not know.

Besides managing the affairs of St. Stephen's school, Sister Superior has spent much of her time in painting, and a good deal of her artistic painting of sacred subjects may be found in local homes.

AMHERST BUSINESS CLOSED FOR FAIR

Village Band Furnishes High Quality of Music For Last Day of Exposition

Amherst village was represented at the Stevens Point Fair on Friday, which was Amherst day, by a big delegation of people who came up to see the exposition and the free attractions and fire works.

The Amherst band furnished music during the day for the attractions, and the quality of the music pleased all who are connected with the local fair, besides the large number of visitors.

All Amherst business places, with the exception of garages and restaurants, were closed on Friday afternoon to enable the people of the village to come here. Local fair directors were especially pleased with the co-operation received from the Amherst businessmen.

MILWAUKEE FAVORED

Rural Carriers Plan to Hold Next Convention in That City

The Wisconsin Rural Carriers' association, at its convention at Wisconsin Rapids last week, favored the plan of holding the 1923 convention in Milwaukee at the same time as the big postal conference which is scheduled for about the middle of May. The matter is being left to the newly elected state officers.

A resolution was passed petitioning the post office department to make Christmas a legal holiday. The department was also petitioned to make it possible for rural carriers to notify patrons by card when there are c. o. d. and insured parcels for them, and ask them to meet the carriers at boxes and not cause the latter to go out of their way in the delivery of them.

A report of the secretary showed that the membership has grown from 773 to 843 in a year. There were 85 delegates from 41 counties present at the convention.

SCHOOL HEAD NAMED

Parfreyville Woman New County Superintendent at Waupaca

Mrs. Earl Gurley of Parfreyville has been appointed county superintendent of Waupaca county to fill the vacancy caused by the resignation of R. C. Bigford, who has accepted the position of principal of the Polk county normal. Appointment was made by State Supt. John Callahan. The change becomes effective Sept. 1.

MISS ALLEN IN ALASKA

Normal Teacher Goes There After Visiting in California

Miss Bessie M. Allen, head of the home economics department at the State Normal here, who has been spending the summer in the west, is now in Alaska on a pleasure trip. She recently visited Mr. and Mrs. S. A. Tenison at Pasadena. Mr. Tenison was formerly athletic coach at the Normal here. Miss Allen also visited Miss Marie Zimmerli of the High school faculty while in California. The latter has been teaching at the summer session of the University of California at Berkeley. Miss Allen will return home in time for the opening of the fall term at the Normal.

BADGER FARMERS GIVE YELLOW CLOVER TRIAL

Over 250 Test Plots Seeded by Members of Agricultural Experiment Association

A new sweet clover is on trial in Wisconsin. Albatrea Sweet Clover is the full name of the late arrival. It has a yellow blossom and is a biennial plant and hails from Canada.

More than 250 test plots have been seeded with Albatrea this year by members of the Wisconsin agricultural experiment association. Nearly every county in the state has one or more of these plots.

According to E. D. Holden of the agronomy department at the Wisconsin College of Agriculture the advantages of the Albatrea "yellow blossom" over the common sweet clover is: it has a finer stem; does not get coarse and woody; and is easier to cure.

"Sweet clover hay," says the Badger economist, "is high in feeding value, and makes excellent pastures."

For 15 years, Albatrea has been grown successfully in Canada. Two years ago some seed was imported to Wisconsin and tried out at the experiment station at Madison. It gave so great promise that it has been disseminated among the farmers of the state for further trial.

To obtain data on the performance of this new clover under all conditions of soil and climate in Wisconsin is the object of the present broadcast.

NAILING A POLITICIAN'S WILD CHARGE

Senator LaFollette in discussing the world war in his address at Hartford, made this statement:

"I want to tell you that it will be proven that the British government spent \$350,000,000 among newspapers of this country to influence public opinion."

The Wisconsin Press association resents this insult to the American newspapers which were loyal to America during the war and supported the cause of their country. American newspapers did not betray their country for British gold, and on behalf of the press of Wisconsin, the Wisconsin Press association calls on Senator LaFollette to furnish the proof or to withdraw the charge.

ONLY COUNTY BOARDS MAY SELECT NURSES

County boards are the only local bodies that can select public health nurses and fix their salaries and expenses, the attorney general's department made plain to District Attorney Irving Breakstone, Oconto. The Oconto county board has attempted to turn over to a county health committee these details of local health administration, but the legislature has invested this power exclusively in the county board, said the opinion.

TWO DEFENDANTS IN VIRUM DEATH ARE BOUND OVER

Unable to Furnish Bail, Mother and Daughter Are Put in Jail

Mrs. Lucille Dougherty and her mother, Mrs. Dora Eichhorn were bound over to circuit court to stand trial for the murder of Adolph Virum, at the close of a preliminary hearing at Wisconsin Rapids on Saturday. By consent of the attorneys on both sides, the testimony taken in Mrs. Dougherty's hearing was admitted for Mrs. Eichhorn, and the two defendants were bound over together.

Virum, a paper mill worker residing at Wisconsin Rapids, was fatally shot on the night of August 11 after he and five companions had stopped near the farm home of the women who are now defendants. Several shots were fired, one entering Virum's brain. It was claimed at the time that the shooting was prompted by the belief on the part of the women that someone was stealing apples in the orchard there.

Neither of the defendants was able to furnish bail on Saturday and both were committed to the Wood county jail at Wisconsin Rapids, pending trial, which will probably be at the October term of circuit court. Judge Byron B. Park of this city will hear the case.

Little in the way of new testimony was brought out in the examination of the three witnesses on Saturday. In effect, the testimony was that Virum and companions had driven to Mehan in Portage county on the evening of the tragedy, had purchased a pint of moonshine there and after drinking it returned toward the Rapids, stopping near the Eichhorn farm. It is denied that any members of the party were intoxicated.

Sheriff Mueller, one of the witnesses testified that he questioned Mrs. Dougherty and her mother on the night of the shooting, and that they asserted that they had frequently been bothered by people stealing their apples and chickens, and trespassing upon their property. They told him, he said, that they took a 22 calibre rifle and went out into the orchard with the intention of frightening away the men whom they believed they heard there. They at first claimed that all the shots were fired in the air and in an opposite direction from where Virum and his party were standing.

The next day, the sheriff said, Mrs. Dougherty confessed to him that the third and final shot which she fired was directed across the road toward the spot where Virum fell.

Questioned by the attorney for the defense, the sheriff admitted that he had not warned Mrs. Dougherty that whatever she said might be used against her. The sheriff stated that he merely told her that he wanted to know the truth of the affair and that the best thing for her to do was to tell exactly what happened.

REID HEARS LAW SUIT

Ullius E. Bourn is Plaintiff in Circuit Court Case
Suit of Ullius E. Bourn against Marko Jotich for completion of an alleged oral contract for the purchase of the Bourn farm in the town of Plover was opened in circuit court at the court house Tuesday morning Judge A. H. Reid of Wausau is presiding.

Bourn, who owned the farm on highway 10 in the town of Plover at what is known as Bourn's Corners, alleges that he sold the farm to Jotich at a price of \$4,000. Jotich, he alleges, paid \$2,000 when he took possession and agreed to pay the balance when a warranty deed to the property was turned over. Bourn alleges that the defendant has since refused to carry out the agreement and pay the balance due. He prays judgment that the defendant be required to carry out the agreement and pay the \$4,000, with interest from September 28, 1921. Jotich, in his answer to the complaint, states that he is a Jugo Slav, unable to read or write English and understands the language imperfectly. He claims that the representations of the land made by the plaintiff to the defendant were false and fraudulent, and that the market value of the farm was only \$2,000. Jotich states that Bourn placed the market value of the farm at \$4,000.

He demands judgment dismissing the complaint and the return of the \$2,000 he paid on the farm, in return for which he will give back the property. He also asks \$2,000 damages, six per cent interest on the same and the cost and disbursements of the action.

CHILD WELFARE SPECIAL

The above picture shows one of the steps in the state board of health has taken in its program of health promotion among children. The special, equipped for clinical and examination work, is in Portage county all of this week, starting out at Kellner Monday. A nurse and woman doctor are aboard to handle the cases of children of preschool age which are brought to the car by mothers or other relatives. No charges are made for any of this service, all being free. The health special will not visit Stevens Point. Its itinerary includes Kellner, Junction City, Plover, Almond, Amherst and Rosholt.

OBITUARY

Peter Brixius Dead

Peter Brixius, one of Stevens Point's best known men and who was hailed by his friends as "Professor" because of his musical ability, died August 16 at St. Michael's hospital, where he had been a patient since January.

During the past thirty years Mr. Brixius lived with his daughters in this city, later at the home of Mrs. Henry Harig on Illinois avenue, and while about to enter the doorway of the Harig home last winter he suffered a stroke of paralysis, falling to the floor and displacing his hip bone. The aged man was removed to the hospital and remained there until he passed peacefully away in his sleep.

Mr. Brixius was in the 80th year of his age. His birthplace was Gelsfeld, Rhine Province, Germany, and the date May 8, 1841. He was twice married, both times in his native land. The first marriage was to Miss Marie Welterding, in 1858, and to them five children were born. Mrs. Brixius died in 1900. The widower was again wedded in 1874, his second wife being Mrs. Annie M. Knope, who passed away in Stevens Point in 1891.

The family emigrated to America in November, 1882, locating on a tract of wild land in the town of New Hope, Portage county, where they lived ten years. Mr. Brixius had been a resident of Stevens Point ever since. He enjoyed every educational advantage given the German youth, his parents being among the well-to-do people of Gelsfeld.

Surviving are three daughters and a son, Mrs. Henry Harig, city, John B. Brixius of Milwaukee, Mrs. Emma Knope of this city and Mrs. Michael Schneider of Arcadia. There are 23 grandchildren, and a number of great-grandchildren. An only brother of the deceased, John Brixius, died in Germany last year.

Adam Felt Buried

Funeral services for the late Adam Felt, chairman of the town of Knowlton, were conducted at 10 o'clock on Thursday morning at the family home at Knowlton, Rev. E. C. Grauer, pastor of St. Paul's church at Wausau, officiating. Burial followed in the Knowlton cemetery. Many members of the Marathon county board of supervisors and officers of the county attended the services.

Peter Brixius

The funeral of the late Peter Brixius was held Friday morning at 9 o'clock at St. Joseph's church, Rev. H. J. Ehr officiating. Burial took place in St. Joseph's cemetery. The pall bearers were Adam Adams, Peter Bonertz, Peter Trierweiler, John Massman, Joseph Frank and John Schmidt.

John Sezemrowicz

John Sezemrowicz, a pioneer resident at Polenka in the town of Sharon, died Thursday, following an illness of more than a year. Mr. Sezemrowicz, who was an early law farmer in that section of the county, had not been able to be about for nearly a year and a half being afflicted with rheumatism. His lady died in 1914. He was born in German-Poland 74 years ago.

The funeral was held Saturday morning at Sacred Heart church at Polenka, with burial following in the parish cemetery. Rev. L. J. Poseinski officiated.

FEIT FUNERAL LARGE

Many Pay Last Respects to Honored Knowlton Resident

(By Special Correspondent)
Knowlton, Wis., Aug. 15 The funeral of the late Adam Feit of Knowlton, which was held Thursday morning from his late home, was one of the largest ever held in Marathon county.

Several hundred were present from all parts of the state to pay their last respects to one of Marathon county's leading citizens. Mr. Feit's generosity and charity was known far and near, and during the time intervening between his death and burial the family home was thronged with friends from far and near, coming to extend their sympathy to the bereaved family. No matter what came along, the deceased would lend a helping hand. All churches were his church—and his big heartfulness will remain as a heritage to his family.

The funeral services were conducted by Rev. E. C. Grauer of Wausau. Mrs. G. G. Knollner of Danev, assisted by Mr. and Mrs. C. H. Ingraham of Wausau sang "Abide With Me," "In the Sweet By and By," and "Face to Face."

The pallbearers were Thomas Johnson of Wausau, M. O. Conner of Mosinee, Walter Guenther, Fred Odenwaller, Louis Kuzman, and Stanley Winkowski of Knowlton. There were many beautiful floral designs from the county board, of which he was a member, the town of Knowlton, of which he was chairman, the Order of Moose, of which he was also a member, the young men of Knowlton, also different organizations from Milladore from the immediate families and friends, as slight tokens of the esteem in which the deceased was held. Many expressions could be heard that highway No. 10 will not seem right with Adam gone.

The Rose Diamond.
One often hears of a rose diamond. The stone is not different in kind from any other diamond, the name "rose diamond" having relation only to the form or cutting of the stone. A rose diamond is one that has a flat bottom, and only the upper part of the stone being cut into facets or little faces and polished.

Establishing Credit
After all, good credit is a desirable thing to have. Of course, the man who abuses his credit would be better off without it. But every blessing becomes a curse if intemperately used.
Nothing enhances a man's personal credit in a community as does the knowledge that he is a regular saver. The habit of thrift cultivates dependability and enhances the confidence of others in your reliability.
